

REMARKS:

The specification has been amended to include a reference to the parent application. The specification and drawings also have been amended along the lines of changes entered during examination of the parent application. The drawing changes are included in formal drawings submitted as replacement sheets. In addition, new claims are presented for examination.

Allowance of the application is respectfully requested.

Applicant's undersigned attorney can be reached at (614) 486-3585. All correspondence should continue to be directed to the address indicated below.

Respectfully submitted,

Dane C. Butzer  
Reg. No. 43,521
